

## Actifresh Insole

Code	<b>Actifresh - wkładki</b>
Type	insoles
Category	Accessories
Sizes	35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46

### Description

Actifresh is made of material containing a bactericidal agent which is produced by the Swiss company, Sanitized, and which protects the foot against moulds, yeasts, algae and bacteria. The insole should be cut along the line indicated for a given size. It can be used in most shoes and boots, as well as the following models from our shop.

### Size chart

Wkładkę należy wyciąć wzdłuż zaznaczonych linii danego rozmiaru.
